Information on the election of the Children's and Youth Council of the City of Bielefeld Your election documents are here!

Hello,

Never received mail from the City of Bielefeld? Don't panic!
Because the time has finally come! From **7 June to 16 June 2024**, the 1st Children's and Youth Council (KiJuRat) of the City of Bielefeld will be elected.

All 12 to 19-year-old children and young people living in Bielefeld have the opportunity to cast their vote in **June 2024** to make the election a success.

On the online ballot paper you will find the names of the candidates who have agreed to actively contribute to the KiJuRat.
Now all you have to do is cast your vote for the person you want to elect to the KiJuRat.

And how does that work? It's very simple!

You scan the QR code (below) or go to the following link:

<https://anwendungen.bielefeld.de/qpl/KiJuRatWahl24>

When you access the online election, you will be asked for a password.

Why? Each person authorised to vote is given their **own password** so that you can vote in secret! Each password can only be used **once**.

Your personal password:

In order for you to be able to vote during the election period from 7 June to 16 June 2024, we ask you to **keep this letter and refrain from throwing it away**. Further information about the election and the candidates can be found on the attached flyer!

Best wishes,

Ingo Nürnberger (head of social services) & Team of the KiJuRat
